

Forest Schools Site Development and Replenishment Action Plan 2018-2024

**Intention statements: To integrate the Forest School ethos into our curriculum.
To set up and maintain a sustainable small woodland on site and close to school.
To ensure the land is managed and looked after- teaching our children skills and responsibilities towards our earth and its future.**

Phase	Action	Persons responsible	Timescale	Funding	Evaluation/next steps
Phase 1- Firm foundations	Discuss woodland, structure, sustainability, the hub and location with staff, governors and parents. Inset run by Into the Forest at the Beacon September 2018	C. Tjaveondja	2018-19	School Budget £400	Our INSET day was very successful, great opportunity for team building and for new head to get a sense of personalities/group dynamics within school. Do this again in our own woodlands when we establish our own are- invite governors and parents.
Phase 2-	Develop a woodland area on school grounds- to involve parents and children. Community days: build a wigloo; dig a pond, plant trees and shrubs. Purchase waterproof clothes so children and staff can access garden in all weathers.	C.Tjaveondja	2018-19	Rotary Club Funding- £8,000 £2000- PE funding	The grounds were not being used correctly by older children, who had not been trained up or involved in development- need a fence to section off playgrounds.
Phase 2a-	For two other members of staff to be trained up to Level 3	R.Zaim S.Wilson	2019-21	PE funding £1200 x 2	
Phase 3-	Find a suitable woodland area close to school for children to use.	C.Tjaveondja R.Zaim	2019-20		INSET March 23 rd Friday 2021 Team building with staff and governors
Phase 4-	Develop a resource list for each area and purchase resources	C.Tjaveondja R.Zaim	2020	PE funding	
Phase 5-	Integrate Forest School into the four-year curriculum.	All staff	2019-20		I put a bid in with the Wildlife Trust to train staff on our site.
Phase 6-	Join Open College for Accreditation- start training adults to Level 1,2 and 3	C.Tjaveondja (after 2 years R.Zaim)	2021 2023	PE funding- Bid for Ernest Cook Trust Fund	£500 for 5 years- then train S.Wilson ourselves instead of with Archimedes- saves money and more inspiring- bespoke
