

## Staffing Update:

We are interviewing on the last day of term for a new member of staff. I will let you know over the holidays if we are successful in appointing. Please remember regardless of appointments we are opening school earlier from the 5th September so that will help with dropping off before work.

Women's first place!!!

Very amused!!

## Curriculum News

I want to take this opportunity to invite any ideas that you would like adding to our curriculum for your children. We have statutory elements we have to include but we are revamping it slightly over the summer to make it even more relevant to our children. Any ideas please send them via the questionnaire facility on our website titled, 'Curriculum Ideas'. I intend to do a lot more work with families, bringing you in to talk to the children in the autumn term, about your lives and careers, looking at where you live, what type of house, the make up of our families.

I also want it to be a regular thing that you send us postcards when you go on holiday or give us photographs of any family who live abroad so the children can add these to our map of the world—making the learning more real to them. We are asking the children about what they would like to learn and experience. I look forward to hearing your ideas.

We will also train up volunteers for Forest School in the Autumn.

**Uniform update**— we have decided to phase out green to bring in purple over the next academic year !! I am liaising with Zips and Snips in Southport ( 01704 510166) and they will be taking orders over the holidays ready for September. I will email details out on school spida once it is finalized. The new logo is about to be digitized! We are very excited.

**Ta da! Here it is!!**

A great end of term!  
We had a lot of fun!

July 2022 #2

Hello All,

I was so excited about Sports Day I had to send you a second July newsletter!

A massive thank you for such a wonderful turn out and for everyone who joined in so whole heartedly. It was an excellent day- I loved it! I was very relieved that I did not slip up with my welly wanging shouting!!

I am going to award a few virtual trophies to some parents on here! The golden wellie is awarded to Phil Davis!

The silver to Alfie and Harvey's grandad! Whoop whoop!

(I can't work out the scores for bronze- apologies!!)

1st and 2nd in the parents race. See overleaf for 3rd place (1st woman's -in Laura's words!!!)

It was a very jolly end to a very difficult school year. Thank you everyone!
