Spooktacularly Spooky Forest School

In place of a Halloween party we have decided to host a spectacularly spooky forest school on Thursday 3rd November.

We are asking all children to come in fancy dress and we will enjoy some festive activities in the woods.

It really will be spooktacular!

Although we are asking the children to be dressed up please be aware that many costumes are very flammable and are usual Forest Rules of no dangling items, hair tied up etc still apply. If we deem the costume to be a danger it will be removed at Fire Circle.

Our Special Visitor

This week we welcomed the Mayor of West Lancashire to visit our forest school. She enjoyed hot chocolate at the fire as well as a performance from both willow class and oak. She was very impressed!

Curriculum News

A huge thank you to our families who came to see our children's end of unit celebrations. Willow hosted their own art gallery and showcased some wonderful landscapes. Oak class shared their knowledge of the world to explain some tricky concepts and apply their knowledge to a chosen place. It was lovely for the children to present to you all.

PTA Needs you!

We are hoping to begin to host a selection of events for our families but we really need help and support. Please if you can offer any time (it doesn't need to be a regular commitment) then please contact Mrs Zaim via the school office or on the playground before or after school. We would love to establish a PTA and work together to create some wonderful events and raise additional funds for the school.

October 2022

Winter is on its way! The night's are drawing in and the temperature is beginning to drop, that can only mean one thing Christmas isn't too far away. We've already began to think about some of the ways we will be celebrating the festive season. But for now we'd like to congratulate all the children for a wonderful first half term. They have all settled so well and worked so hard, and as a staff we are very proud of them all. We are wishing you all a very restful and safe half-term and look forward to welcoming you back on Monday 3rd October, ready for Autumn Term 2.
